BEGINNER CLASS SCHEDULE

2016-2017 SEASON

Our goal at the beginner level is to instill a passion and love for dance that will last a lifetime, while creating a strong foundation upon which a beautiful dancer will grow! PAC always has your child's best interest at heart when choosing age appropriate music, costume & movement.

PRE-SCHOOL I BALLET/TAP: Age 3 & 4

These one-hour combination classes, about 40 minutes in ballet shoes and 20 in tap, will explore a variety of movement to build major motor skills in a ballet setting. Using classical and popular children's music, props and our imagination, we will introduce ballet to the young dancer in a fun, positive environment. Tap class is a lot of fun and helps the dancer develop rhythm and timing!

BEGINNER BALLET/TAP: Age 4 - 6

SCHOOL AGE BEGINNER BALLET/TAP: Age 7 - Teen

This is a one-hour combination class. Students will learn the proper ballet technique and French terminology. Tap is included to make a well-rounded dancer and help develop rhythm and musicality in a variety of styles from Broadway to Hoofin'. Your child will immediately see and hear their progress!

JAZZ: Age 7 & up

Jazz is a half-hour class consisting of floor warm-up, body isolations, turns, leaps and basic jazz steps performed in all styles of jazz from Broadway to MTV to age-appropriate music. We strongly suggest training in ballet to develop the much needed body alignment and technique. Most jazz steps are based on ballet!

HIP HOP: Kindergarteners or older

We have several Hip Hop classes for beginners, divided by dance level age, and/or grade in school. Jr. Hip Hop is for dancers Kindergarten through B-4; Beg. Hip Hop is ages 7 - 9; Teen Hip Hop is ages 10 & up.

KINDERGYM: Age 3 - 6

This is a half hour class. While learning basic tumbling skills, students will develop back and stomach muscles in preparation for the more rigorous acrobatic class. Kindergym is open to all beginners including dancers in: PS-1, PS-2, B-1, B-2.

ACROBATICS: Ages 5 & up

ACRO 1 is 45 minutes and is designed for school age students minimum age 7 unless placed at this level by teacher evaluation. **PRE-ACRO** is for ages 5 & 6. Emphasis will be placed on performing a few tricks well rather than many tricks done poorly. Beyond Acro 1, placement is based on the ability to perform various tricks required for each level, applied technique, and attitude in class.
